

Do you work at a community-based organization or one representing a tribal government? Interested in attending the AMCHP Conference?

## AMCHP invites you to apply for our Community-Based Organization (CBO) and Tribal Government Conference Scholarships

### What are the Conference Scholarships?

AMCHP recognizes the value in having community members, those working at community-based organizations, and those representing tribal governments participate in the annual conference as a way to share their expertise and insights while learning from and networking with others. At the same time, AMCHP acknowledges that attending the conference can be cost prohibitive. To help reduce this barrier, AMCHP will be offering approximately 10 need-based scholarships.

### What Can I Use the Scholarship For?

You are welcome to use the scholarship for one of the following options:

- Full conference registration OR
- Participation stipend of \$300 which can be used for but is not limited to:
  - Childcare support
  - Compensation for time used to participate in the conference that would otherwise not be paid through work

### How Do I Know If I'm Eligible to Apply?

Anyone representing a community-based organization (CBO) or tribal government is welcome to submit a request. AMCHP defines a CBO as a public or private non-profit organization, or other organization such as an LLC, that is representative of a community or a significant segment of a community and works to meet community needs.

We will consider requests based on the following criteria:

- The size of your organization.
- Whether this is your first time attending the AMCHP conference.
- Whether an organization is led by or directly supporting Black, Indigenous, People of Color (BIPOC) communities; others experiencing systemic oppression including but not limited to the disability community, the LGBTQI+ community, etc.; or those representing groups that have been historically oppressed. This is directly aligned with AMCHP's commitment to living by its ["All-In" Statement](#).

### I'm Interested. How Do I Apply?

- Please complete the following [brief survey](#) to submit a request for the scholarship.
- You may submit a request until **Friday, April 29th**.

### What is the Selection Process Like?

- All decisions will be communicated by **May 6, 2022**.
