

# 2022-2023 CALL FOR NEW ASSOCIATION COMMITTEE MEMBERS

## ABOUT

The AMCHP Association Committees assist our organization in carrying out our mission, goals, and strategic plan. Committees provide critical guidance to our board and staff and recommendations for policy analysis and development and are comprised of AMCHP members, board members, family representatives, and staff liaisons. They may also include representatives from federal agencies and involve partner organizations when appropriate.

## COMMITTEES

- AMCHP Annual Conference
- Governance
- Family LEAD
- Health Equity
- Legislative & Health Care Policy
- MCH Innovations
- Workforce and Leadership Development
- Youth Voice Amplified (YVA)

## WHY BECOME A MEMBER?

Committees are an excellent opportunity to effect meaningful change nationally and have your voice heard on maternal and child health matters. Volunteering to become a committee member also offers rich professional development opportunities and, potentially, provides a future pathway toward greater leadership roles at AMCHP.

## HOW TO APPLY?

To apply to be newly appointed to one of our committees, serving from October 2022 through September 2023, active members of AMCHP are encouraged to fill out our [new committee members survey](#).

AMCHP requires all committee volunteers to be active members of our organization. If you are not an active member, you are welcome to join us - It's very easy! Please visit our website to learn more about [becoming a member of AMCHP](#).
