

WHAT IS THE AMCHP LEADERSHIP LAB?

Leadership Lab is a unique opportunity for those affiliated or working with jurisdictional Title V programs (staff, consultants, volunteers) to accelerate their professional development in a way that is framed by the **MCH Leadership Competencies** and guided by adult learning principles.

WHAT CAN YOU EXPECT?

- Exposure to information and resources that are relevant for your current and future roles
- Development and continuous revision of and individualized leadership plans
- Collaborative activities and thoughtful discussions
- A peer learning and accountability network
- Ongoing support from a matched mentor and AMCHP staff

JOIN OUR COHORTS!

FAMILY LEADERS COHORT (FLC)

For parents or family of a child or youth served by a Title V program that have demonstrated community leadership and are AMCHP Family Delegates for their jurisdiction; are staff, consult with, or volunteer for a Title V program; or work with a Title V funded program.

NEW DIRECTOR LEADERS COHORT (NDLC)

For Title V administrators (Title V, MCH, or CYSHCN Directors or senior reports) who have been in this capacity for three years or less.

MANAGEMENT ACCELERATOR COHORT (MAC)

For jurisdictional Title V staff at any point in their career arc who are managing programs or domain-specific portfolios.

MCH EPI PEER-TO-PEER COHORT (MCH EPI P2P)

For epidemiologists and data specialists who currently work with a Title V MCH/CYSHCN program and will not be participating in a concurrent mentorship, field assignment, fellowship, or AMCHP leadership development activity.

ADOLESCENT HEALTH LEADERS COHORT (AHLIC)

For state Adolescent Health Coordinators (SAHCs); jurisdictional health department employees responsible for managing public health programs that target adolescents and partners with Title V, MCH/Title V Director interested in building skills to strengthen their program's adolescent health focus.
