

# IDAHO TITLE V MCH & UNIVERSITY PARTNERSHIP

Started in 2014 to help conduct the 5-year needs assessment (2015, 2020, 2025)

Four-year contract with annual renewal

Supports ongoing needs assessment activities (ONA) during interim years

Supports travel & participation in block grant review, partnership meetings, etc.

# Summary

- Identification of needs to help inform State MCH priorities
- Assist with action plan development
- Ensure continued prioritization of health equity lens and family engagement
- Facilitation of strong partnership and collaboration among MCH stakeholders

# Ongoing Needs Assessment Efforts
