

Activities in honor of Black Maternal Health Week

Our conference falls during **Black Maternal Health Week** (BMHW) this year. In recognition of this co-occurrence, we have included a series of activities to raise awareness of BMHW, honor Black maternal health leaders and birthing people and families, and provide time, space, and acknowledgment for attendees to participate in virtual events hosted by the **Black Mamas Matter Alliance** (BMMA) and partner organizations.

Black Maternal Health Track

In-person and virtual attendees are invited to join our sessions and see poster presentations under the **Black Maternal Health track**.

Community-Based/ -Rooted Organizations, Tribal Entities, & Title V Networking Session
