Maternal and Child Health Block Grant 2024

The Maternal and Child Health Services Block Grant, Title V of the Social Security Act, is the only federal program devoted to improving the health of all women, children, and families. In Fiscal Year 2022, 93% of all pregnant women, 99% of infants, and 61% of children nationwide benefitted from a Title V-supported service. To learn more about Title V, visit www.amchp.org.

61.3%	Children and adolescents
39.4%	Children with special health care needs
2.6%	Others

*2022 State/Jurisdiction Annual Reports Submitted to the Maternal and Child Health Bureau

State spotlight: Adolescent Health

Ohio's Adolescent Health Programming has expanded through a variety of sources. In July 2023, The Ohio Department of Health was granted 7.5 million dollars annually for State Fiscal Years 2024 and 2025 through Ohio's General Revenue Fund (GRF) to fund School-Based Health Centers (SBHC). Additionally, ODH was awarded the Pediatric Mental Health Care Access (PMHCA) grant from HRSA in September 2023. ODH's Adolescent Health team expanded from one person in 2021 to a team of five in 2024, which includes a manager and staff devoted to youth homelessness and adolescent resiliency, in addition to SBHC and PMHCA. Youth homelessness grants are also supported through GRF and 2023 marks the first time ODH has a full-time staff person devoted to youth homelessness. Additionally, in November 2023, ODH launched the first cohort of Teen Wellness Team, comprised of 21 high school students across the state. The youth learn about public health topics while also providing feedback and input on ODH programs.

Current Special Projects of Regional and National Significance (SPRANS)

Special Projects of Regional and National Significance (SPRANS) funding complements the formula funding each state receives and helps ensure the success of state Title V, Medicaid, and CHIP programs by driving innovation, responding to emerging and entrenched issues, and building capacity for integrated systems of care for women, children, and families.
