WHAT IS AMCHP'S LEADERSHIP LAB?

Leadership Lab is a unique opportunity for those affiliated or working with jurisdictional Title V programs (staff, consultants, volunteers) to accelerate their professional development in a way that is framed by the [MCH Leadership Competencies](#) and guided by adult learning principles.

WHAT CAN YOU EXPECT?

- Exposure to information and resources that are relevant for your current and future roles
- Development and continuous revision of and individualized leadership plans
- Collaborative activities and thoughtful discussions
- A peer learning and accountability network
- Ongoing support from a matched mentor and AMCHP staff

FAMILY LEADERS COHORT (FLC)

For parents or family members of a child or youth served by a Title V program that have demonstrated community leadership and are either an AMCHP Family Delegate for their jurisdiction; are staff, consult with, or volunteer for a Title V program; or work with a Title V funded program.

MANAGEMENT ACCELERATOR COHORT (MAC)

For jurisdictional Title V staff at any point in their career arc who are managing programs or domain-specific portfolios.

NEW DIRECTOR LEADERS COHORT (NDLC)

For Title V administrators (Title V, MCH, or CYSHCN Directors or senior reports) who have been in this capacity for three years or less.

ADOLESCENT HEALTH LEADERS COHORT (AHLC)

For State Adolescent Health Coordinators; jurisdictional health department employees responsible for managing public health programs (within or in partnership with Title V) that serve adolescents; or MCH/Title V Directors interested in building skills to strengthen their program's adolescent health focus.

MCH EPI PEER-TO-PEER COHORT (MCH EPI P2P)

For epidemiologists and data specialists who currently work with a Title V MCH/CYSHCN program and will not be participating in a concurrent mentorship, field assignment, fellowship, or AMCHP leadership development activity.
