

# JOIN US IN OUR MISSION

## 2026 Call for New Association Committee Members

### **ABOUT**

The AMCHP Association Committees help our organization carry out our mission, goals, and strategic plan. Committees provide important guidance to our board and staff, and recommendations for policy analysis and development. They are made up of AMCHP members, board members, family representatives, youth, and staff liaisons. They may also include representatives from federal agencies and involve partner organizations when appropriate.

### **COMMITTEES**

- Annual Conference Planning
- MCH Innovations
- Family LEAD
- Governance
- Legislative & Health Policy

### **WHY JOIN?**

Committees are a great opportunity to make meaningful change nationally and have your voice heard on maternal and child health matters. Volunteering to become a committee member also offers rich professional development and networking opportunities and, potentially, provides a future pathway toward greater leadership roles at AMCHP.

### **HOW TO APPLY?**

Active AMCHP members are invited to apply by filling out and submitting the [new committee members' application form](#) by February 17.

AMCHP requires all committee volunteers to be active members of our organization. If you are not an active member, this is a great time to join us! Please visit our website to learn more about [becoming a member of AMCHP](#).
